BE PREPARED FOR VACATION ILLS

Many persons suffer distress and annoyance from disordered stomach when traveling. Change of food and water sometimes causes indigestion that leads to sick headaches, biliousness, bloating, sour stomach, gas, bad breath and coated tongue. Foley's Cathartic Tablets should be in every traveler's grip. They act without pain, griping or nausea. They have no costive after effect and do not encourage the pill habit. They are a fine, wholesome, physic—nothing else.
